

Customer Complaints

Our aim is to provide all of our clients with an excellent level of service. However, we recognise that there could be an occasion when you do not feel satisfied with the service you have received from us. We take complaints very seriously and with this in mind we have developed a Customer Complaints Procedure which lets you know how we will deal with your complaint or issue.

Should you need to make a complaint, please contact our Complaints Manager using any of the following methods:
